COL. MORGAN DIES OF PNEUMONIA

Congressman Five Terms, War Veteran, Mine Operator Succumbs to Disease

Joplin, Mo., Jan. 4.—Colonel Charles Henry Morgan, 69 years old, a veteran of two wars, four times a representative of the democratic party in the national congress and a member of the Sixty-First congress as a republican, died this morning at 5:10 o'clock at his home, No. 715 West Fourth Street. Death was due to pneumonia. He had been ill since December 15. For more than a week his condition had been such that it was impossible for him to rest except in a sitting posture.

"When death came his wife and four of their eight children were at his bedside. Although he was conscious until he died, he had been unable to speak clearly for several days. His last words are believed to have been a declaration that he was 'feeling fine,' in answer to a query by his son, Frank B. Morgan, of Wagner, S. D.

Colonel Morgan was born in New Hudson, N. Y., July 5, 1843. A few years after his birth the parents, Mr. and Mrs. Henry Culver Morgan, removed to Oshkosh, Wis., where the family has since resided. Two sisters who survive Colonel Morgan now are residents of Oshkosh.

TWO MISSING IN TRAIN WRECK AT NEWBURG

Springfield, Mo., Jan. 5.—The derailment of two Frisco freight cars late last night near Newburg was reported early this morning to have resulted in the death of Engineer Criss Edinger and the fireman, whose name was not learned. Reports to the Frisco last night gave no announcement of any fatalities, and it is regarded as probable that the rumor was without foundation. The train was in charge of Conductor W. M. Blackburn and left Newburg just ahead of passenger train No. 9. No. 9 had not arrived here at an early hour this morning.

The wreck occurred at the foot of Dixon hill.

Kill More Than Wild Beasts

The number of people killed yearly by wild beasts don't approach the vast number killed by disease germs. No life is safe from their attacks. They're in air, water, dust, even food. But grand protection is afforded by Electric Bitters, which destroy and expel these deadly disease germs from the system. That is why chills, fever and ague, all malaria and many blood diseases yield promptly to this wonderful blood purifier. Money back if not satisfied. Only 50 cents at A. H. Cox & Co.

FOR YOUR HAIR

Here Are Facts We Want You to Prove at Our Risk

When the roots of the hair are entirely dead and the pores of the scalp are glazed over, we do not believe that anything can restore hair growth.

But, when the hair roots retain any life, we believe there is nothing that will so surely promote hair growth as will Rexall "93" Hair Tonic. To prove that statement, we promise to promptly return all the money you pay us for Rexall "93" Hair Tonic should it not please you.

Rexall "93" Hair Tonic destroys the germs which are usually responsible for baldness. It penetrates to the roots of the hair, stimulating and, by promoting circulation, nourishing them.

Rexall "93" Hair Tonic helps to relieve scalp irritation, to remove dandruff, to prevent the hair from falling out, and to promote an increased growth of hair. It comes in two sizes, prices 50 cents and \$1.00. Remember, you can obtain it only at our store—The Rexall Store. A. H. Cox & Co.
